It is with deep sorrow to have received the sad news of Sammy's passing. I just spoke to him December 1, 2020. I have handled his insurance for many many years. He was indeed one of my favorite customers. I will surely miss talking to him. On behalf of all the employees at Time Insurance Agency, Inc. I wish to extend our deepest sympathy to all of his family.

“ *No words can comfort a broken heart, but through faith and prayer, Jesus Christ our Lord can carry us through painful times like this. Sammy was so loved, respected, and admired by many people. Judy, you know how I feel about you and your family. I can't remember a time in my life that the Bakers and Sears families were not connected. From the time your mother passed, to the time mine passed, our families have been involved. Your sweet brother, Sammy, even bought my mother's house and gave it new life for another family to enjoy. For this, he will always be my hero. God bless this family, and help them rejoice in the life of a husband, father, grandfather, brother, uncle, and friend. Sammy Baker.*

“ When Sammy brought Billie’s poodles to the clinic, he would hold them with a towel. He said he handled so many chemicals, he didn’t want to get them on the dog. He said not, but he loved those dogs. He also had many, many grand baby instructions. Never met a stranger. He will be missed. Prayers to his family.
