“ I worked with Buddy when he was with Rusk County in the 80s. I transferred here in 1980 with the Highway Patrol. Buddy was lots of fun to be around. You could always depend on him. He was always one of my favorites from the early deputies I worked with. My deepest of condolences to his family.

*I taught Buddy in Mt Enterprise when he was in the 10th grade. What a rascal he was ! I was just about his size in those days & had to ride with the band to a freezing event somewhere & precious Buddy loaned me his long Johns which I wore gratefully but knowing what he would do. Buddy disappoint. He told the story all over school stretching it with every telling. I loved & grieve the loss of this special young man. I have remained friends with his sweet mom & also lost my older son years ago so I share another bond with her. Sending love & prayers to all.
