“ I started school at Patrick in 1st grade and Sammy was in my class. I remember thinking how cute he was and also remember what a nice little boy he was. I slightly remember his brother Joe and sister Gwen. I am sorry to hear of his sudden passing. I cannot attend the services but I will go to Pine Grove in November when I am in Texas. I also have relatives buried there. I was Oleana Worley.

“ Although I did not know Sammy, I wanted to take a moment to extend my sympathy. You can be assured that comfort and hope are found the pages of the Bible. Revelation 21:4 mentions a time when sorrow and death will be no more. This is something that has brought me great comfort and it is my wish it will bring you comfort too.

“ *Saddened to hear about Sam's untimely death. He was livin' his dream, and this was something that broke my heart. He was a good friend while living in our area, and I came to know him very well and admired him for his determination and his dedicated lifestyle, as a father, husband, and also his knowledge of being a horseman, which I can appreciate, living in South TX. He will be missed immensely by all his friends here in Cuero, and while I am unable to make the services, my thoughts will, and have been with all his friends & family, and he will be sorely missed.
