“ *Jodi,*

While looking for my own cousin's recent obituary, I was sad to come across Sandi's. I immediately called Harry in to read the obituary and we viewed all the family photographs (bringing back lots of memories).

We had not heard of her passing from any of the Stone family and we send our deepest sympathy to each of you.

Thank you so much Dian! Is that recall the Popes had the trampoline first in every kid in the neighborhood was envious and wanted to jump in the pool didn't come till later and at that point Kelli and I were pretty much out of the house so Jodie got to really enjoy the fun of the pool but we did spend a few July 4 holiday is celebrating and enjoying that pool as well later on. I have very fond memories of my time growing up on Comanche Court with you and your family and all the others as well.

*Thanks, Dian!
I think you guys had the trampoline first and all the neighbor kids were so jealous and wanted to jump! Kelli and I were out of the house when the pool came along but Jodi got lots of use out of it and we did later on for family get togethers and the 4th of July party. Our neighbors were great and have fond memories of all mentioned and more. It was truly a magical time as a kid growing up with her and the family on Comanche Ct. in Waxahachie!*

“ I worked for many years with Sandi at Baylor. She was a dear friend. Each year, she would type up the programs for our ladies day program, but not without giving me a hard time, but in love. I truly loved this lady, condolences to Kelly, Jodi, Kirk and the rest of her family. She would always say as I entered her office door, “Here comes that heifer, what does she want now.” RIP Sandi

“ I have worked with Sandi for many years at Baylor Medical Center at Waxahachie. She was the most thoughtful and one of the kindest co worker I have ever met in my whole nursing career. We shared the office and she helped me a lot with my computer skills. She's a wonderful person with a great sense of humor. I love listening to her talk, loved her accent. I have not seen or heard from her in years but this past week I thought of her...now so know why. My condolences to Kellie , Jodi and Jake and to the rest of the family. You will all be in my prayers for peace and comfort. - from Luz Zamora and family

“ I was an up and coming nurse when I met Sandie my junior year in high school. I was working as a nurse aide in the mornings before school when it was still W. C. Tannery Hospital and then as an RN when it became Baylor Medical center at Waxahachie. Her smile lit up a pathway everywhere she went and her humor lightened our day. I will always remember her. May the peace of God be with her family during this time of loss.

“ *Sandi was the most caring and giving person I know! For as long as I can remember she has been there for me and my kids! She was at every performance , award show that my kids were in. If I couldn't be there she would be the one at the school doing stuff for the kids! She loved unconditionally and taught me so much!! I will miss her and I will cherish all our memories!!!*
