“ Kenny and I are saddened to hear of the passing of our classmate, Sandra. She was a sweet spirit and always had a beautiful smile. She lived just up Jones Street from Lynda Brooks Baker and I. We would play as children in the neighborhood. Our prayers go out to the family at this time. Rest in peace in the loving Hands of our Lord and Savior, Jesus Christ.

“ I first met Sandra in the small retirement community where she lived. I was hired as her provider and from day one, she treated me as if she'd known me for year's. And she became one of my best and dearest friends. She always greeted me with a huge smile and laughter. She loved her Lord, her family, animals (especially her cats), cooking, embroidery, shopping, watching her DVD's, going out to eat and visiting with friends. Sandra had a bright and beautiful light within her. A loving and giving spirit. If someone needed something, and she had it, she gave it no questions asked. She could be tough when she needed to be her love and kindness for others were her greatest assets. I love you my dear friend and I can't wait until we meet again on the other side. And as you always told me at the end of our evening call's, "sleep with the angels". 🙏
