“ I'm not sure why but Mrs. Shankel touched my heart within the short time that I knew her and she is one of the sweetest ladies I've ever had the blessing to have in my life. I know that we will see each other soon in Heaven.

*Hugs to the whole family!*

“ I am so overwhelmed with sadness. Heaven gained an amazing angel. My mother was my best friend. I love her with every ounce of my soul. I am going to miss her every second of every day. I hope to be half the mother and wife she was. She was the strongest most gentle loving person I knew. She would do anything for anyone. She will be greatly missed by the many who's lives she touched. She fought for so long with so many illnesses but still remained strong until she took her last breath. I love you mom may you rest peacefully in the arms of your savior. I love you to the moon and back. May you always look down from heaven being proud.
