Sarah was such a comfort to me as a child. She represented stability for me and I felt loved and secure when I was with her. After I grew up she became a friend and she and dad were such amazing grandparents to their grand kids. She had great taste and she was funny and had a beautiful soul. I am so sad to not be there with my family. Sending love and prayers for comfort. I love you, Sarah. I know you live on in all of us girls. You are resting now, completely out of pain.
