“ Nobody knows how a serviceman feels unless they've treaded the same soil. Our thoughts are many, our experiences are similiar and the loyalty to brothers in arms are unmatched. In heart... he is a brother and I'm greatly saddened in the news of his loss. There is nothing anyone can do to ease you pain but I have to tell you.... If one person has made a difference in somone's life, then they've left a treasure behind for others to behold. For this, I'm sure we're grateful for what he has done for our country and left for us to behold.
