Mrs. Upton passed from this life on July 10, 2018. She was born September 29, 1961, in Henderson and grew up and has lived all over the world. Sharabeth has been back and called Henderson home for approximately 10 years. She received her Bachelor of Science degree from Stephen F. Austin State University and went on to a career with TDCJ as a correctional officer and substance abuse counselor, and she was a wild Pittsburgh Steelers fan going back to the 70s. The ability to love and care for people, along with her big heart, made her an excellent family caregiver, and she took wonderful care of her father and nieces and nephews. Sharabeth was a member of Pilgrim Lutheran Church in Kilgore.

She was preceded in death by her mother, Mary Beth Nicol; uncle and aunt, John L. Nicol and Carolyn K. Nicol, and uncle, Alton E. Nicol.

Survivors include her husband of 19 years, Sammy M. Upton of Henderson; father, Don Nicol of Henderson; sisters, Sharla Furlong and husband Randy of Henderson, and Shana Sapp and husband Roy of Signal Mountain, TN.; nieces and nephew, Shelley Fanning, Sara Furlong, Sophia Sapp, Riley Sapp, and Jack Sapp; great-nephews, Mikiyah Stiggers and Markell Stiggers; as well as a host of other family and friends.

“ *My college years are riddled with memories of Sharabeth and the good times we had! I was so excited to share pics of my daughters wedding with her (since she knew her since she was 1). I think anyone who knew her was a better person for knowing her!*

“ When I was in high school I had a tendency to get grounded. But even grounded I could hangout with Sharabeth. We would go to movies. I took her to see Tommy (Rock Opra). She really liked it. So next we went to see Rock and Roll High School. She thought that was ok. After that I took her to see The Rocky Horror Picture Show. She didn't let me pick anymore movies.... LOL I have the BEST memories growing up with her. At Grandma's, Jersey Village, Aunt Gladys', even Beeville when she first started working for TDC. She was an important part of my life, and I am forever grateful for the role she played in it.
