“ *Edie, we send you, and your dear family, our love and prayers. It was such a joy to have known Shaun; albeit, much too short. Our visits with him at Raymond's gun store were filled with such great stories - and then there was the gun talk. I am convinced that Shaun and Don were virtual gun encyclopedia's. He will be greatly missed.*

*God be with you all.

“ *Shaun and Edie lived across the road from our family, and I babysat Eric and Max growing up. Shaun was always fun to be around and teased me constantly. I thought Shaun and Edie were the perfect couple, and with their two boys, had a beautiful family.*

This did not, however, stop Shaun from ticketing me. I probably hold the record for the most speeding tickets on Chicken Feather Road, almost all were issued by Shaun. (Sometimes, he'd let his partner write me up.) And, he never kidded me about my driving, but treated it seriously - always the professional. Now that I think about it, I don't think he ever let me drive with Eric and Max in the car - and with good reason!

My prayers go out to Edie, Eric, and Max. I have the fondest of memories of Shaun and his family.

“ I remember when Shaun first joined our church softball team. During his first practice he hit a softball over the old Jr. High gym. The rest of us spent the entire season trying to match his moonlaunch. Casey Barrett got close, he hit the roof. The best I can remember, Shaun's record still remains intact. He was a great friend, awesome hunting & shooting buddy, and a good role model. He was also a part-time coach to a high school senior who believed he good throw a discus good enough to get a college scholarship. Shaun spent endless hours watching, fetching, and encouraging me so that my dream finally came true. I am forever grateful.

“ *Shaun was a one of a kind. When he was around there was never a dull moment. Not every Trooper in Texas could say they had stopped the Oscar Mayer Weiner-mobile! Shaun was always a loyal friend to many and loved Edie and the boys, he will be missed by so many of us.*

“ I have many memories but my favorite was when I transferred here and all the guys were helping us move in. Shaun was carrying things in by himself that would have taken any two of the rest of us to carry.
