“ I only had the privilege of meeting Sheena a few times but she left a lasting impression on me with her kindness, her sweet personality and her love for everyone she met. We, Candi's family, know how wonderful she was because we have her essence with us through Rudy. We are blessed to have Rudy in our family and see the wonderful role model Sheena was for him. He lives a life full of love and appreciation and leaves a smile with every one he meets - He is his mother's son. Our thoughts and prayers are with you all today and in the days ahead. May you feel the strength of love that goes from our family to yours.

“ Right now there isn't much that anyone can say to fill the void that is now in your life. Though it never makes sense to us when our Father asks one of his children to come home, just know that she fulfilled her lifes' purpose. Mrs. Sheena was my Mt. Enterprise momma! She filled that void for me when I was around her. Somehow though, I think she shared a connection like that with everyone who was lucky enough to be touched by her spirit. She had that ability to make you feel like you were the only one in the room. I weep in her remembrance, but I smile knowing that she is in good company. Her legacy is far, wide, and deep-celebrate it. I feel blessed to have been a part of it. You will be in my heart, thoughts, and prayers. Geoff

“ I have not met any of Sheena's family, but want to express my sympathy for your loss. I was fortunate enough to spend time with Sheena at a china painting seminar in Ozark, Missouri. We were there at the same time twice....three days each time. That is a total of only 6 days of my life and I will never forget her. Sheena and I shared a love for dragonflies. She spoke of a place she had at home where she kept dragonflies she found that had expired. On a trip to Myrtle Beach a dragonfly flew into our room through the balcony door of our hotel. He was not able to fly again and soon died. I brought him back to Oklahoma and saved him in a box to give to Sheena at our next seminar. I wrapped him up and wrote a poem about his wishes to be taken to Sheena's "dragonfly heaven". She in turn gave me a lovely dragonfly broach. I am wearing that broach today with tears in my eyes.

“ We are friends from the China Painting club and are praying for the family, Sheena was always ready to share her testimony of faith in Jesus Christ and her radiant personality and love was shared with all she met, We have so many pieces of her to remember her by because she shared her many talents in so many ways, She always had generous gifts of delicious food or something she had made or painted for her friends, Sheena will never be forgotten and was greatly loved,
