“ *Praying for comfort and peace. Our first meeting was years before we became family. She was new to town and as I scanned her items she told me about her handsome, athletic, and smart son. She told me he was her world. A few years later he began dating my daughter and she loved her just as fiercely. After they married and started to grow their family, she was so excited, happy, and proud. We became a family, spending holidays, fussing over petty stuff, showing up for many losses and even more blessings. I am thankful for our family memories. I know we will meet again.*

Love and prayers for comfort and peace.

“ *The first time that I met Sheila, I was working as the office manager at B&B in Tatum. She was checking out and telling me about being new to town, and having an amazing, gorgeous, athletic, son. She told me her name and his as I scanned her items. Little did I know a few years later, Bradley and Bethany would begin dating, then marry and have our beautiful grandchildren, plus one the way. We have been through many losses, witnessed many blessings, and became family. You will be missed and we will see you again soon. Love and prayers to Bradley and Bethany.*
