*Allen, I just saw this. I'm so sorry to hear about Aunt Shirley. I really loved her a lot. She was an awesome person. She taught me how to make homemade pies. Your mom made some of the best pies in the world. I remember when your mom and dad were first married and they would come visit us and we would go to the beach. We had a lot of fun with them. I know that you will miss her immensely. And I'm so sorry for your loss. I love you, Allen.*

“ I've got lots of memories of "Aunt Shirley" when we were kids. She was the first person I'd ever heard of that liked to fish, just for the fun of it - she didn't really have to catch anything and long as she was fishing. She tried being a horse owner one time. He reared up with her and she sold him to me cheap. Lot's of love from her back then. I know she'll be missed by all.  
Deb & I will be praying for the family as they miss her.
