“ Joe, So sorry to hear about your mom..My memories go way back..when we were all kids..She was always a beautiful and sweet lady. Her strength had to be tremendous. But all is well with her now. and she is with those that had been taken way to early in life. And now, you have just one more reason to look forward to Heaven...Toni

“ Joe and Mike, I want you to know how sorry I am about your mom. As a young kid, I have many fond memories of spending weekends at your house and how gracious your mom was to me. You both will miss her but know she is now pain free and in a much better place than we are. You have many wonderful memories of what a fine lady and mother she was. Will be thinking and praying for you.
