“ A good friend and a good man who will be missed, we need more like him. Straight shooter. Hard worker who built himself up the hard way. Sonny's handshake meant as much or more to him than his signature.

Recall visiting him in the hospital a few years back when he'd had a run-in with a bull....was amazed at how well someone in their 80's handled some very serious injuries so well and recovered so quickly. Visited Sonny and Betty at their home several times. Sonny would come into my office every few weeks to drink coffee, talk about his family (whom he loved greatly) and the 'State of the Union'....those visits usually turned into two hours or more.

Sonny chewed me out for 30 minutes or more on three different occasions over the years....but he also trusted me, we had a great friendship/relationship, and I valued his thoughts and his advice. I relied on Sonny for advice on equipment, farming and ranching and other things. He rode out to our farm with me on more than one occasion and enjoyed seeing the work in progress and offering his advice. A serious man who also knew how to laugh. You'll be missed my friend.

Carlton & Gary, our hearts and prayers are with you and the entire Truelock family.
