“ I am so sorry to hear of cousin Sonny's passing. In 2001, Sonny and I made contact with one another at a dinner remembering the passing of my sister, June. Since that time, we have been good friends and we shared emails for many years until Sonny stopped the email communication but we enjoyed phone conversations with one another until he became disabled and had to be housed in the convalescent home. Sonny always lifted my spirits in our conversations and my wife was also very fond of his friendship. We will miss Sonny very much and were it not for the fact that I live in Los Angeles, I would have certainly have visited with him frequently during his convalescent stay and would have done my best to lift his spirit. If Sonny could hear me now, I would tell him how much my brother and I have been blessed by his wonderful friendship.
