“ Steve was a thoughtful, caring,, loving human being. Loved on our kids, Dustin and Glory, from day one in 2008 for several years until they were called to Utah. He was a grateful servant of Jesus Christ, and positively touched a lot of lives in his life. He treated me and Shirley with great respect. We are tremendously saddened for his family and friends. We'll look for to seeing him again.

“ I just learned today of Steve's passing. This world will be a lesser place without him in it.

I am proud to have known such a fine person and servant of God. Many years ago, Steve was one of the first persons I met at ForeTravel. Immediately...I liked him, who wouldn't.

I can scarce remember a time in the years we worked around one another, that he did not display a good attitude, a smile or would just extend his friendship and encouragement to all.

Often times...when a person has passed on, they are glorified in death by those left behind. There will be no need for that in Steve's case. His life, his time upon this earth...speaks for itself, and speaks well of him. This world could use more good men like Steve Webb. I will miss him greatly and always remember him fondly.
