“ Cody you are my ✨ *Shining Star!* I loved you before you ever took a breath and have always held you close to my heart. We have prayed for you your entire life and sometimes ask God to not take you from us too soon, but God knew the end from the beginning and we know you are Sheltered Safe within the arms of God, and that God had a plan, no more suffering, no more dialysis, no more heartbreak. We will love and care for Chrissie all her life and tell her many stories of how much her daddy loved her. I will miss all the times we shared on the ranch, all the songs we sang, our lunches and dinners together, fishing and hunting, but most of all I will miss your hugs, your “I love you Meme” and your sweet smile!!!! You have been my rock here on earth and always there for me and I will see you soon on the other side!!
