“ This woman here. She was the craziest woman you would have met (not in a bad way lol). She was kind hearted and worked her tail off to provide for her grand kids and youngest daughter (my mother) Tammy. My grandmother never met a stranger and was the strongest person I know. She helped raise me and all my brothers up to the men we are today. If it were not for her, there is no telling where any of us would be. She will be sorely missed. Fly high grandma, and see you again. I love you.
