“ I loved Sue so very much!! We worked together at the High School Life Skills Classroom for a number of years. She was the best friend you could ask for. She could cook a feast from a bare cupboard. She was just an amazing Blessing to us all. I feel so fortunate to have spent so many great years with her. I will miss her so much!!

“ Daniel, Becky, I do not have to tell you how special Sue was. Amazing lady, put everyone always first. She loved children. My son, TRAVIS CHAPMAN still to this day called her Mama Sue. I worked with her at various schools in HENDERSON ISD. I think of all the kids lives whom she made better just by being a part of their lives. She is with Ronnie, Glen and others that have gone on before her. I can't imagine how very happy she is to be with her baby and Ronnie and yes Mr. Melvin Sons. We loved “Mama Sue”.  
Our prayers are with you all.
