“ Those of us who love history will never be able to thank Susan enough for what she did to preserve the history of Henderson and Rusk County. Her energy and drive made the Depot Museum a success, and she was a great resource to anyone researching historical topics. We will miss her terribly. Deepest condolences to the family.

“ I met Susan Weaver back in the '80's. She was a beautiful, passionate, energized person. She was a worker, never leaving a stone unturned. Thank you Susan for giving Henderson and Rusk County such a gift. You have given us so much history, you have shared your talents with us. Thank you is just not enough to simply say. I can see you getting to Heaven and working like crazy, trying to please everyone or maybe it is just time to rest. But I really think God knows what kind of a worker you are and you are already at work or rest. Whatever He ask, I feel sure you are doing it! But I really hope you are at rest and enjoying Gods rewards. "Go Rest High on That Mountain" precious lady.
