“ Mrs Sylvia, she was something else. And I still Can't believe it still it really is happening.
She was somebody that if I needed a motherly advice she would give me some advice and on other certain things. She would often get upset and smack my hand lol. She was great and a loving person. Lol she often had some couple nicknames for me as an expression :sweet smile:. You will be miss but NOT forgotten.

“ Mrs Sylvia Haley was a mentor, trainer, and a very great leader to me. I learned a lot from her. She was a very strong supporter of military veterans. She started a Veterans Day recognition day which included biographical posters and a company wide get together. Sylvia was always ready to help out company employees while still supporting company policies. She will be greatly missed by everyone who knew her.
