

## Ms. Tahsha Ann Blackwell

June 4, 1962 - September 2, 2023

Tahsha Ann Blackwell was born June 4, 1962 to joyful parents Jerry and Jimmy Blackwell, and maternal grandparents, Velma and Homer Bryce, of Henderson, Texas. Her name was inspired by the songbird in Peter and the Wolf, a musical symphony for children, and it reflected her parents' love of music and the arts. Tahsha and her family members were long-time, faithful attendees of First Baptist Church, where she participated in choir, Girls in Action, Acteens, and the youth group. Early on, Tahsha gave her heart to the Lord Jesus Christ, and was baptized after a summer revival at First Baptist. Tahsha attended Mrs. Wright's kindergarten, Montgomery Elementary School, Hill Intermediate School (the year of the fire), Northside Middle School, Henderson Jr. High School, and graduated from Henderson High School in 1980.

After high school, Tahsha went on to attend Stephen F. Austin University in Nacogdoches, as well as Texas Christian University in Ft. Worth. She also earned an aesthetician's certificate and worked in Dallas at a local spa and wellness center.

In 2015, Tahsha relocated back to Dallas after living in Houston and joined First Baptist Church of Dallas. There, she renewed her relationship with Jesus, and became very involved in helping teach 3rd grade Sunday School with her childhood friend Mary Catherine, as well as becoming a member of

the Women's Ministry Bible Study groups. Tahsha truly made indelible impressions on all the people she met and gave of herself to those with needs. She personified the scripture from Matthew 25:35-40, where Jesus says, ... "Truly, I tell you, whatever you did for one of the least of these, you did for me." In James 2:14-17, where the Bible emphasizes the importance of generosity and compassion towards others, verse 17 sums up Tahsha's attitude about helping others by stating, "...faith, by itself, if it is not accompanied by action, is dead." She believed in her eternal salvation, but also lived it by giving and doing for others.

Tahsha left this earth in the early morning hours of September 2, 2023, after a long battle with Alzheimer's disease, which had been diagnosed in 2017. She was welcomed into the gates of Heaven and released from suffering. All who knew her are left with precious memories and stories of her colorful life: most notably her love for God, her family, her dogs, and the color purple.

Survivors include her mother, Jerry Bryce Blackwell of Henderson; brother, Blake Blackwell and wife Karen of Texarkana; niece and nephew, Brooke Blackwell of Little Rock, Arkansas, and Bryce Blackwell of Texarkana; uncle, Jim McMillin of Henderson; special cousins, Michael Wilhite and wife Laurie of Dallas, Lee Ann Mills and husband Andy of Henderson, Jennifer Holt and husband Edwin of Tyler, and Joanie Cooley and husband Trey of Dallas; as well as several other cousins, family and friends.

Honorary pallbearers include Jim McMillin, Michael Wilhite, Theron Jimerson, Andy Mills, Edwin Holt, and Trey Cooley.

The family will receive friends from 5-7 p.m. on Friday, September 8, 2023, at the funeral home. Graveside services for Tahsha will be held at 10:00 a.m. on Saturday, September 9, at Lakewood Memorial Park. Interment will follow under the direction of Crawford-A. Crim Funeral Home. A reception for friends

and family will follow the graveside service in the Family Life Center at First Baptist Church.

Words of comfort may be shared with the family at [www.crawfordacrim.com](http://www.crawfordacrim.com).

“ Tasha And I became friends at Northside and remain friends through our senior year. I remember that she gave me a gold bracelet for my birthday one year and I still have it... And I think of her every time I look at it. She was a wonderful loving and giving person with a wonderful sense of humor. She is truly missed, may she rest in peace with no more pain

“ I love the one picture of her French dogs - think their names were Deszmund and Whalther. She purposely spelled Whalther that way after the razor company. Early 90's -- those dogs loved her so much they scratched the window with excitement when she would pull up.

“ Three things remind me of Tahsha Blackwell: powder sugar donuts, a bassoon and a helicopter. Does the HHS cafeteria still offer little packages of powder sugar donuts? Sweet 16 yr old Tahsha ate them most everyday for lunch at our table. Forever, the sight and sound of a bassoon will symbolize Tahsha to me. She enjoyed its novelty and played it well. And I’ve wondered what Mr. Ferguson, our band director, thought when Tahsha informed him one Friday she would not ride home from the Lions’ away game on the band bus. But that night, we all gaped as our Tahsha rode home in outlandish style in a helicopter! It was fun to know Tahsha Blackwell. I lost touch with her after high school, but several yrs ago, I hoped to reconnect with her and a mutual friend for lunch. It was not to be. Alzheimer’s... Yet, in Christian hope, I look forward to another lunchtime someday with T. It will be fun.
