“ *Taylor I miss you every day your not here. it broke my heart when you moved to Texas but my favorite memories I have of you is..*

All the days we spent sitting in my driveway talking about everything. when you would come over to get water when you were skating. My favorite one was when we both helped Clean a friends house and we just had an amazing day doing that. I can't even begin to describe how much I am hurting I loved you like a brother. You were in my life for almost 4 years and I wish it could have been longer but you will never be forgotten and I will miss you forever. :(

“ I am truly devastated by the tragic loss of Taylor's life. I remember all the times he would stop by our house just to say "hi" or get a bottle of water before heading home on his skateboard. He was a shining star among the sea of friends that my daughters had. Always quick with a joke or a hug and he always seemed to know which was needed at the time. I will truly miss this wonderful young man and feel blessed that he was in our lives even if it was only for a little while. My thoughts and prayers are with his family and I hope that he can rest in peace. We love and miss you Taylor.
