“ Oh how I did love Taylor and I wish I could have told him one more time..But maybe he knew...I can still see him coming across the street in his overalls to just visit and shoot the bull . He was so precious and I look forward to seeing him again in heaven. Just remember how much we love you all and all those years we had together will always be a precious and loving place in our hearts. You were put on our prayer list at church and lots of prayers are being said for you right now. Love and Gods Blessings to you all.Danny, Jean, Tiny Johnson and Deon and Aaron Rogers.

“ Uncle Taylor was by far my favorite uncle. A better man you will never meet. He came to all the weddings and births of all his neices and nephews. He loved people and spent his life serving them in every way. He was a true Christian and lived it every day of his life. I will miss him so very much.

“ Coy - Your life has been blessed to have such a wonderful Dad and Mom. Taylor has always been a very special cousin that I loved very much. Although we can't be with you, in person, tomorrow - know that our arms are around you as you honor your Father in his last rites. You honored him throughout your life and he was so proud of you
