“ *Ubiquitous is a big word but precisely describes sweet Teresa's smile. It was ever there, never missing. Though my acquaintance with her was short - limited to several Class of '63 monthly get-togethers - it was ample exposure to peg Teresa as one of the truly 'good guys', gentle and kind. Dear Ed is one of my oldest friends, held close in my heart for over 50 years - never more so than now. He, too, is one of the 'good guys' and it is easily understandable, this simpatico and loving kinship he shared for so many years with such a lovely lady as Teresa.*

Ed, may you and your family feel buoyed and loved in this, your time of loss.

“ I was so saddened to read yesterday that you passed away. I had thought many times about you but, didn't know how to find you. We had such great times at Trinity Baptist. I moved to the Houston metro and lost contact with you. You will always be in my heart. I love you dearly.

“ Having Teresa join us when the LHS Class of 63 met each month for dinner was always such a pleasure. We loved her smiling face and her sweet personality. Having Ed join us was great but having Teresa join us was a bonus. We all just loved her. I am so glad that we had the opportunity to get to know Teresa and share some wonderful times with her. We will miss her. She was a delight.
