Her early years were devoted to making a home to raise their 3 children. She was active in the PTA and sold Avon in her spare time. “ I’m so sorry to hear about Ms. Gibson dying. She was a patient at New Sound Hearing. She always said she couldn’t hear. Then she would laugh. Yes her and her Cadillac would drive up on any day at any time and want to be seen right then. She was a hoot. She will be missed in so many circles in Henderson. She carried herself with confidence and an unfailing grace. Please know we are praying for her loving family. Rest In Peace Mrs. Gibson.

“ I regret that I was unable to attend my Aunt Thelma's services but I will share here that of all the people throughout my life Aunt Thelma is among the few at the top of my list. She was consistently cordial, friendly, and always had a positive attitude. She made me feel like I was the most important person in the world any time we had a conversation together. She never treated me like a child. She and my Mother graduated together as well as being sister-in laws.

I spent many hours at their Texaco Service Station on the circle and Aunt Thelma would come in every day, after she finished with school, and do the bookkeeping for the day. It was during these times that I learned just how special she really was by the way she treated everyone the same. I never heard her talk negatively about anyone. She is and was the most unique person I have ever known.

I join my cousins at this sad moment. We lost a precious gem.

“ *Grady & Mrs. Gibson, two Of the nicest people I ever knew! I worked for them at the Texaco station on the “Circle” while I was in Carlisle High School and two years at TJC. Thinking of them, the word “kindness” fits. Thanks for the memories, Paul Baird!!*

“ Carolyn, Glenda and Tony, I have such good memories of my Aunt Thelma. I couldn't wait to see her and your dad and all of you every year. She was the best cook and one of the nicest people I have ever met. She sure lived a full life but I know you will miss her. My love to you all.
