“ To the Wood family-----I worked with Thelma for many years at the hospital in Henderson. She was always such a joy. We laughed often. I missed her when she left there and was always glad to see her when I met her out in the public. She had the greatest wit and took every opportunity to turn a difficult situation into a pleasant one. I know she will be missed by her family. My prayers are with you all.

“ *Morris Lee, Dale & Beverly, Laurabeth & Dale, and Families Thelma was a good friend to me. She always took the time to listen, care, and understand, and always there to lend a helping hand. I'll always remember our laughing and talking about the good times we had while attending the Mt. Hope Methodist Church. Thelma truly enjoyed life, and most of all enjoyed talking about her family, as she loved each and everyone of you and was proud of you all. Thelma will be missed, Just remember that Thelma was here and touched our lives for a purpose. Her love will always be a treasure for you to hold in your hearts. My thoughts and prayers are with you at this time. Your Friend, Donna Boatwright Saffell*
