

Mr. Thomas Wayne Alexander

December 21, 1946 - December 24, 2023

A celebration of the life of Mr. Thomas Wayne Alexander, 77, of Henderson, will be held at 2:00 PM on Friday, December 29, 2023, at First Baptist Church with Dr. David Higgs and Rev. Don Edmiston officiating, under the direction of Crawford-A. Crim Funeral Home. The family will receive friends following the service in the Family Life Center at the church.

Tommy passed away peacefully on December 24, 2023. He was born to the late Howard and Helen Alexander on December 21, 1946, in Kilgore, Texas. Tommy is survived by his wife Kathy Alexander of 51 years; daughter Kristy Everitt and husband Terry of Henderson; son Todd Alexander and wife Holly Jo of Beckville; grandchildren Collin and Abbey Everitt of Henderson and Madalynn and Hannah Alexander of Beckville. Tommy is also survived by his brothers Dennis Alexander and wife Missy of Kilgore, Steve Alexander and wife Dena of Kilgore; sisters-in-law Wendy Alexander of Rowlett, June Johnston of Emory, Glenna Yates and husband Rick of Allen; brothers-in-law Joe Orren and wife Rhonda of Sulphur Springs, Milton Orren and wife Jennifer of Tyler; and a host of nieces, nephews, and family. He was preceded in death by his parents Howard and Helen Alexander and his brother Mike Alexander.

Tommy graduated from Kilgore High School in 1965, where he lettered in football, basketball, and baseball. He continued his education and deepened his love of basketball as a member of the basketball teams first at Kilgore

College and then at East Texas State University in Commerce. Tommy, affectionately known as "Coach A," served as an educator for 44 years, impacting the lives of many. He began his career as a teacher/coach at Sulphur Springs ISD in August of 1970, it was there where he met his wife, Kathy. They moved to Henderson in 1973 and he worked for Henderson ISD for 26 years. He coached football and basketball from 1973 to 1982 and served the district as maintenance director from 1982 to 1987. In 1987, he was promoted to Assistant Superintendent and continued in that role until 1998. He then accepted the job of Superintendent with Sabine ISD in 1998, serving in that capacity for 6 years. Tommy returned to Henderson ISD in 2004 as Superintendent and held the position through 2007, when he retired to enjoy time with his family. In October 2009, Tommy was asked to serve as the interim Superintendent of West Rusk CCISD. This led him to come out of retirement to fill the role full-time for 7 years, until he retired permanently in 2016.

Tommy was a faithful member of First Baptist Church in Henderson. He displayed his faith in God through his desire to serve others. The impact and influence that he had on others was the ultimate example of servant leadership. His selflessness, devotion, and passion are evidence of his character and just a few of his most respected qualities. Tommy kept his family and close friends at the forefront of his life. He will be remembered for the big smile he had and all the lives that he touched. Tommy will be missed and loved dearly by all who knew him.

In lieu of flowers, the family asks you to donate to the Children's Building Fund of First Baptist Church or the FBC Mission Projects Scholarships at 207 W. Main St., Henderson, TX 75652.

Words of comfort may be shared with the family at www.crawfordacrim.com.

“ *Coach A was a true educator. Not just in the classroom but in life. He made many great impressions and memories for me. I'll never forget being his third period assistant both semesters of my senior year. He had coached me in football 8th grade through my senior year. Many years later when my family was evacuated during hurricane Rita we came to Henderson. My wife is a teacher and we enrolled our children in school, due to not knowing when we could return to Jasper. I called Coach A and asked him if they needed an ESL teacher to help out. He said send her by and visit with him. When she got there he had a place for her and hired her. We were so appreciative for the opportunity during a challenging time. I will always remember that and know that Coach A was such a remarkable person and friend. I can hear him now calling me Scott-a-roosky. Lol Rest in peace Coach.*

“ I met Tommy in 1987, when I went to work at HISD, as Jerry Christians secretary. I liked him immediately. He was Assistant Superintendent for Business, and you always knew when Tommy was in the building because he greeted everyone with that strong, pleasant voice!!!

It was my privilege to get to work as Tommy's secretary when he came back to Henderson as Superintendent. Those 3 years were the absolute best years of my entire career. He loved Henderson ISD to the core, and everything he did, was something he thought would be good for the district. As someone before me said, he would help anyone in any way he could. He took care of all employees, because they were all important to him.

I could write a book about the good he did, but I will just say, he will be sorely missed by everyone he knew, but especially his family and good friends.

Rest In Peace, my friend.

“ Tommy was a wonderful man in a position to help so many kids and others to. He served in every capacity of HISD and I have known known of Tommy since 1977 when I started working in the HHS CAFT. under Mamie Malone. The first teacher I was introduced to was Tommy Alexander, Coach A Basketball. He knew my Uncle A.W. Wylie. And from then on I had a lifelong friend. Kathy was just as sweet and funny and they made a very good Christian couple and had Kristie and Todd. Even after I was diagnosed with Cancer did he call me and ran into me at the Tyler Cancer Center did I know about Kathy having the same diagnosis and they were there to set up her surgery. He wanted to know how I was doing and how was I still working and having treatments and what HISD. Was doing to help me. He was the one of just a few that cared enough to ask. He was a friend a very good friend and would help you all he could, if he could. Kathy, you will be ok. You have a lot of friends and you have your kids and those precious grandchildren. It won't be the same with Tommy not there, but you will enjoy life again, just because Tommy loved you so much. And you know where he will be. Waiting for you to stroll over Heaven with.

Our Deepest Sympathy,

I met Tommy when we were interviewing for the superintendent position at Sabine ISD. What a wonderful person. He greatly improved our school district and taught all of us how to be a school board. We became a team of eight and he was our coach. He was a wonderful example of what a school administrator was supposed to be. He truly cared about our school and everyone in it. Thank you for sharing him with us and letting him teach us how schools should educate students. My thoughts and prayers go out to Kathy and his family.
