My uncle was a very brave and honorable man. We are all so lucky to have a man like him on our lives. We will be dearly missed and never forgotten. Uncle Tim we love you and will never forget about the razor strap or your SOS. Nobody made it like you. Rest peace and say hi to Nanny and Papa for me. Love you

Tim, I always thought of you as a friend from high school and even when we worked in law enforcement together in Copperas Cove. You and I may not have always got along at work, but most of the time you were fun to be around. I admired your work ethic, your training skills. You may have been forceful toward me at times but I dang sure learned from it. For the last few years, you and I talked in FB messenger about the times we had, and you and I became close friends. The day you told me you were sick really hit me hard, but it was overshadowed by the fact that you were going to be an officer again. And by golly you did it. I remember the message you sent me that you had gotten all your alerts back and was working in Tatum. I was so proud of you. I am going to miss you Brother. I was honored to call you my friend all these years. Tell Jesus I will see him soon. Watch over us my friend. I love you Brother.

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.

“ I spent many an hour in a patrol car in Copperas Cove Tx. With Tim. Tim taught me how to be a good police officer and how to do it right. Due to life I lost contact over the years and just found out about his passing. I found out I only live 90 miles from him. I so wish I would have know that. Tim was a great man and will surely be missed. My prayers and condolences goes out to his family. Rest in peace my friend.

Just learned this sad news. Tim and I worked together many years ago in Henderson Co. Texas. He was as tough as they came and he ALWAYS said what was on his mind! He loved the nights, I saw him many times stand tall when others would back up, a truly brave man resolved to wear the badge with honor.
Proud to have called him my friend!
