“ To Connie and family, although I have not met you or Tony, we have been friends for 15 years or more meeting online. I feel like I have known you and Tony all my life. He was very witty and had no problem sharing his thoughts. It's so sad and heartbreaking to know he is gone and so young, but the best thing is you know he loved his Jesus and today is in His arms. Take care, love your friend, Katie from Canada... xoxo

“ My name is Sherrie but I'm called Bubbles. I work at the Quitman ETMC Hospital. I just wanted to say that we all here at the laboratory miss Tony. I seen Tony M-F and I loved talking with him when he wasn't busy. My co-workers did as well. I is not the same without him.
