“ "We all lose friends.. we lose them in death, to distance and over time. But even though they may be lost, hope is not. The key is to keep them in your heart, and when the time is right, you can pick up the friendship right where you left off. Even the lost find their way home when you leave the light on."Travis was a very sweet person and will be missed dearly.My thoughts and prayers are with the family as you travel this journey of sorrow.
