“ I was sorry to read of Travis' death. I have so many good memories of him and your family. I hope to attend the funeral, but a severe sinus infection may not permit it. If I don't make it, please know you are in my thoughts and prayers.

“ Travis, I am so very sorry about your dad. I found out Saturday @ a funeral of a friend that was very special to me back in high school. I meant to contact you sooner but all the family was over here for Easter yesterday. My heart goes out to you and my prayers are with you, so very sorry I didn't make it to visitation or the funeral. You, Lisa, Brady and Ryan are very dear to me and if I can do anything for you please let me know, Sincerely, Vanessa

“ My heart is going out to your family today. Your dad must have been a great man and dad because he raised a great young man like you, Tracey! I know you and your family have great memories over the years. It is in the days ahead that you will reflect on the good times you've shared together and hold onto them. He fought a battle with his health here on this earth but, now he is with the Lord and has a new body free of pain and sickness! I know you find comfort in knowing you will see him again in Heaven! Please know you are in my prayers and even more...God is with you every day...every step of the way...carrying you through!
