“ Valerie, we'll be thinking of you and your family tomorrow. I hope you have as many good memories of your mother as I do of mine! Last Friday would have been Mom's 100th birthday; and though I wished she could have been here to celebrate it with us, I know she's in a better place! "...think on these things..." and let the Holy Spirit be your Comforter as only He can be. Love in Christ, Mike, Joy & Christi Bowden

“ *My sympathies go out to Valdas family. Valda always made us laugh at coffee break. We had some fun times at work. Since Richard Warren and Tomy Lee Moore grew up together, we had a lot of stories to tell. I have missed seeing her over the years and I will miss not seeing her around town. I know she is now having the best reunion of all.*

“ I remember that when we were in high school, Valda decided to put a rinse on her hair to keep it the beautiful blond that was natural for her. Something went wrong and the back of her hair turned purple! She was so embarrassed that she did not want to go to school the next day. We were friends through school and afterwards, I lost contact with her.
