“ I am reminded of when I was just a kid, My hero was Von Guidry, He taught me how to whistle and how to stand on my head. He would tricked me into trouble when I was not in bed. His Father I can remember, and His Mother was loving than a Saint, and so was Mrs Liner who was more than just his aunt. Jimmy and Von talked me into a lot of mischief, even talked me into wearing my little sister's dress...Hope, Laught, and remember My friends from my childhood. past.
