“ *Aunt Lurean was so much a part of our lives. Her dry wit and a little half smile were always a treat. She blessed our lives in every way. Her memory will be with us always and she's never really gone. Jackie and I loved her dearly.*

“ *Shirlean, Mike, Chris and Michael: I am so sorry to hear about the death of Ms. Daniels. I truly believe the Lord knows when to take us into his kingdom because there is a much better place for all of us, especially when life becomes so complicated. I have very sweet memories of your Mother and Grandmother. Buddy and I would ride with Skip and Jan, when he was constable, and we would always go by the jail to visit with Ms. Daniels. She greeted us with a big smile and seemed so delighted to see us. Try to remember all the good times you have shared together and the Lord will see you through this difficult time. Love Buddy and Shirley*

“ *Lurean was such a joy to work with even though I dreaded being on call when she and Dr. Mcshan worked together. They were magnets for weird accidents to come in. I never worked with her when she didn't have a smile on her face or a funny story to tell. She will be missed by many.*
