“ To all my family down south. Grandma will be missed I was lucky to have so many years of her coming to visit me in the summer. We spent many good times together. Everyone here enjoyed her visits. She was a very special lady and I loved her very much. I want you all to know my thoughts and prayers are with you. She's with grandpa now and I am sure she's at peace. I am sorry I can't make it down. But you are welcome to come here anytime. God Bless you all.
