“ *Dear family,
I have been blessed by knowing Vermell! "Granny" as I knew and called her was a true original! She was a fantastic classy lady who opened her heart and home to me as I was her own granddaughter. There were many a weekend Mel and I ran away from SFA for a respite visit with Granny for a home cooked meal with a great big hug. She was our salvation to remaining sane...at least at the time. LOL! As the matriarch of this fabulous family and a pillar of the Henderson community, Vermell left such a legacy.... rearing three awesome women, Georgeanne, Carmen and Judy who have impacted the world in their own right and by ushering many families to the pearly gates and through the grief process with her work at Crawford. We are all better for having known her. God Bless you all.

“ Georgann, Judy and Carmen, I am saddened to read of your mother's passing. But I'm sure the Lord put her right to work as Head Greeter at the Gate! My dad (Forrest)used to love to visit with her when she came to our grocery store. She had the most delightful personality! And we are all distant cousins with our Gibson connection (Elsie), so we will persevere here on earth knowing that Crim's Chapel bunch has found one another in Heaven and are greeting and praising in the Lord's name.

“ Georgeann, it has been years since we went to school together. I want you to know that I am so sorry about your Mom. I know she is happier now than ever. I can remember her coming to the school to pick you up. She was always so kind to me. I can remember when I came over to your house one day and we had so much fun playing dolls. I never forgot that day through out my life. I am praying for you and your families.

“ She was our "second mother." Her daughters will always be our "sisters." We will miss her sweet smile, her comforting demeanor, and her reminder of precious childhood times.
