“ *Mullins family . What an honor and a privilege to have the opportunity to know Vince. We never had a conversation that he didn't talk about with much pride his family . I never once heard him utter a bad word about anyone . He was humble , genuine and real . My kids adored him . He nicknamed my son " crash" . What more could you ever hope to be remembered for than his love for Christ , family and friends . Thank you for sharing him with us. God Bless . The Hlavaty family.*
