“ To the family I would like to express my deepest sympathy for your loss. I was very sadden to hear the news today. I had the pleasure of Virginia being my Supervisor at CNB & during that time we developed a wonderful relationship that continued even after she retired. Everytime I saw her she always greeted me with a warm smile & hug. She was a beautiful example of kindness & love and I will truly miss her. My prayers are with you at this time & praying that Virginia's spirit will continue to live through each of you.
