“ I am so very sorry to hear about your loss. Mama called me this morning; they just found out late last night. Sorry we can't be there, and mama and daddy had a doctor's appt. at the time of the service. He was a wonderful man! He was greatly loved and even though we lost touch, he will be greatly missed. “ I went to school with Walter and just remember how much I always liked him. I was a little older and went off to college, got married and moved away and lost touch through all these years. After all this time, it saddened me to see that he had passed away.
