“ Wayne and I were in school together since the 2nd grade at Central Elementary. We lived about 2 blocks apart at the time. He could run circles around me picking dew berries shortly before school was out and were in MRS. Annette Boles music program where we were in a group that sang "COTTON FIELDS" in costume etc. Years later we were both "over the road" truck drivers and crossed paths south of Salt Lake UT and again at Nashville, TN. Later we were members together at the Henderson Church of Christ. The times Wayne was around me he was always a gentleman and a friend. Jim Cowart

“ Wayne and I grew up together. I probably had as many meals at his mamas table as I did mine. We were inseparable in grade school thru high school. Always had a smile and great friendly attitude. He never met a stranger and helped anyone he could. In my eyes he was a huge role model for others including myself. He will be sorely missed. We will keep Wayne’s family in our prayers. We know he s with the Lord right now
