“ My condolences to June, daughters Tresa and Lisa. I am also from the Warren family of Henderson. I am the granddaughter of Roy Warren, son of Uriah George Warren (brother to John Stephen Warren). I've been doing genealogy for a while now and have Ninnie Warren and her parents in my database of course and have posted about a hundred old family photos of our Warrens on the USGenweb Rusk Co website. If anyone in your family would be interested in having a copy of the Warren database on Ninnie Warren's side, please contact me and I'd be happy to provide it to you. My own father just passed away two months ago, so again, my condolences.
