“ *With deepest sorrow for departure of your dearly loved one and my friend Wilene . She was a true friend.when she found out I was very sick about two years ago she went to the grocery store,bought things I could eat, brought and placed them at my door. This means a lot when one can't help their self at that time. I didn't know of her passing until now. She told me often she had always loved me since we were small children. We were all blessed to have her, she will be missed by all that knew her. Maxine graham Heisler.*
