“ I remember Bill driving Bob and I to school in the 1960's before we were old enough to drive. They were our first neighbors when we first moved to Henderson over 50 years ago.

“ I wish I could have known you. I met you and Bob only once. It was probably 50 yrs ago. I've tried over the years to find a phone number or address so I could just send a message. I never could. So, now I'm sending this to your family. I guess God has His reason for me finding you now. I never forgot who you and Bob were to me.

“ Prayers to the family of my friend. Most people won't know this, but in 1969 Bill and I were working together as mechanics. He helped me rebuild a certain wrecked '68 Chevy Nova SS. We had a lot o fun with that old car. J Paul Nelson.
