“ Yvonne Cobbs was a friend, a sister, and my life was enriched by knowing her and spending time with her. when God created Yvonne he threw in an extra measure of love for Christ, determination, compassion for others and a whole bunch of ability to create beautiful things.. Somewhere in her brain, he deposited a love for order. And last but not least he let her appreciate jewelry. And jewelry. Her one wish above all was that people would come to know Christ as their Savior and then serve him. She handled many difficult time by reading her Bible to find comfort and peace. My prayers to her sweet family and all who knew and loved her. She will be missed, but her legacy lives on!
